TIANJIN WHOLESOME HYGIENE PRODUCTS CO., LTD

*QUALITY DETERMINES VALUE*

## WHO WE ARE

### COMPANY PROFILE

Founded in 1996 in Tianjin, Wholesome began its journey by manufacturing sanitary napkins. With a commitment to quality and innovation, we have grown significantly over the years. In 2017, we established a dedicated foreign trade company to fully focus on expanding our international business.

We focus on absorbent hygiene products and take it as our mission to provide customers with more satisfactory absorbent hygiene products. At present, our main products are diapers, pull-up pants, underpads, sanitary napkins, etc. We have obtained ISO, CE and FDA certifications to ensure that our products meet the highest quality and safety standards.

We believe that through our persistence in product quality and innovation, we can become the preferred choice for global customers in absorbent hygiene products.
